Please schedule at least three (3) weeks in advance to ensure availability for your desired date and time. PICTURES IN THE PARK

Two-Hour Session

Pictures in The Park is a private two-hour escorted session with your photographer to capture your life-changing moments using the Canyon's beautiful waterfalls, streams, trees and rock formations to showcase your wedding day.

The Glory Hole is the furthest photo location within the canyon that falls within the one-hour timeframe, so we suggest beginning at the Glory Hole and taking advantage of the numerous photo opportunities as you traverse the streams back to the ceremony location.

- Two-hour escorted session including travel time with photographer, celebratory couple and park escort
- Suggested photo opportunities include the Glory Hole, Great Spirit Rock Shelter, Thunder Falls and Lone Pine Crossing (Amish Bridge)
- It is recommended to schedule your Pictures in the Park package prior to your ceremony to avoid long waits for your guests. Scheduling a cocktail hour for your guests will assist in clearing the ceremony location to meet your venue time limitations and gives your guests a place to gather while awaiting your grand entrance from the photography session
- All vendors including photographer must be escorted in and out of the park (vendors are not permitted to drive through the park without an escort)

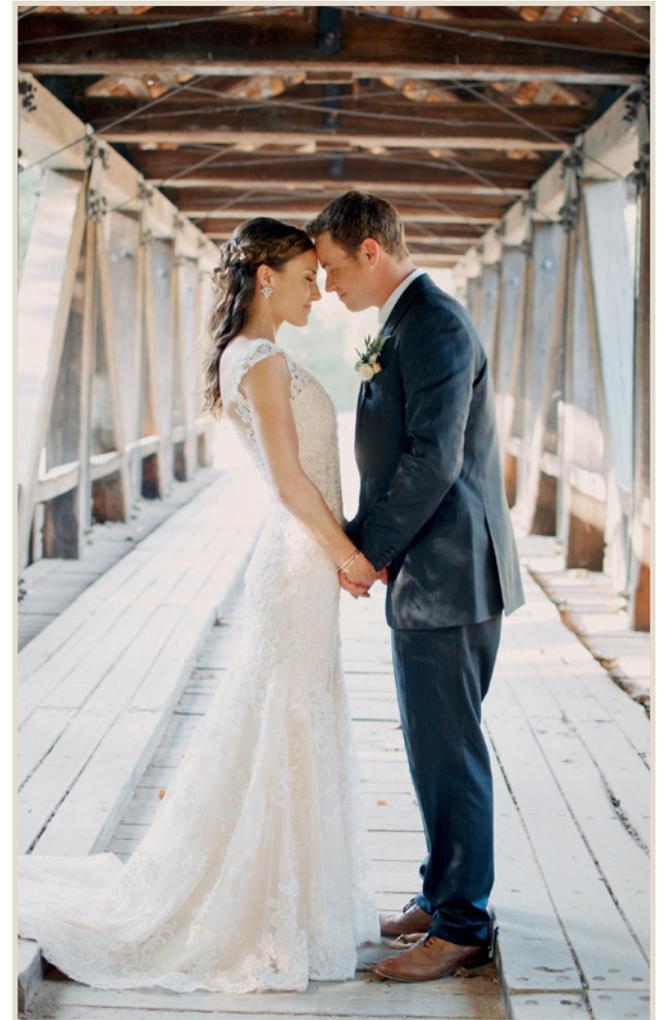

EVENT ADD-ONS
